

🎵 **Swarangini – Another Beautiful Chapter in CRPIM’s National Baithak Movement!**

The **CRPIM National Baithak Movement** continues its journey of reviving intimate classical music listening experiences across India.

On **12th September 2026**, **Shruti Music Foundation**, in collaboration with CRPIM, presented *Swarangini – A Baithak Series* at Malad West, Mumbai, bringing together talented musicians and passionate rasikas in the traditional spirit of a Baithak.

The evening featured two classical music presentations:

🎵 **Shri Pulak Lahiri** – Sitar Recital, accompanied by **Amit Mishra** on Tabla.

🎵 **Dr. Pravin Gaonkar** – Hindustani Classical Vocal Recital, accompanied by **Amit Mishra** on Tabla and **Sangit Mishra** on Sarangi.

Our heartfelt appreciation to **Shruti Music Foundation and Baithak host Mahesh Shah** for their commitment to nurturing this beautiful tradition and contributing to the growing CRPIM Baithak Network.

Every such gathering reminds us that Indian Classical Music flourishes not only on grand stages but also in intimate spaces where artists and rasikas share a deeper musical connection.

One Baithak at a time, we are connecting the dots of a nationwide cultural movement!
