

🎵 Ratnagiri Joins CRPIM's National Baithak Movement!

Another beautiful chapter in the **CRPIM National Baithak Movement**, as **Art Circle Foundation**, in association with CRPIM, presented an intimate Baithak on **16th August 2026** at Madhavrao Mulye Sabhagruha, Zadgaon, Ratnagiri.

The Baithak brought together talented Hindustani Classical musicians, celebrating the richness of our vocal traditions.

- 🎵 **Nupur Gadgil** – Classical Vocal
- 🎵 **Visharad Gurav** – Classical Vocal
- 🎵 **Chaitanya Parab** – Classical Vocal
- 🎵 **Atharva Aalye** – Tabla
- 🎵 **Chaitanya Patwardhan** – Harmonium

Our heartfelt appreciation to **Art Circle Foundation and the entire organising team** for their dedication to nurturing classical music and becoming part of this nationwide cultural initiative.

The National Baithak Movement is not merely about organising concerts. It is about **reviving the intimate relationship between artists and rasikas**, encouraging meaningful listening experiences, and creating opportunities for deserving musicians.

With Ratnagiri joining the growing network, CRPIM takes another meaningful step towards connecting cities, cultural patrons, and musicians across India.

Every city has its music lovers. Every Baithak has its own story. Together, they form a national movement!
